# AUSTRALIAN PODIATRY ASSOCIATION CONFERENCE 2018

Over the last weekend of May, more than 330 delegates and 50 exhibitors set foot in Luna Park Venues where the Australian Podiatry Association (APA) NSW & ACT annual Conference took place.

Luna Park Venues were delighted to welcome back the association for the conference, an opportunity for podiatrists across the state to meet with likeminded practitioners, collaborate and celebrate achievements in the industry.

The conference was a versatile event with different elements held throughout a range of our venues. Registration and exhibitions were located in the Big Top with refreshments provided by the world-class Luna Park Venues culinary team. Elsewhere, keynote plenary and breakout sessions took place in the iconic Crystal Palace Ballroom. For many, the highlight was the Saturday

night cocktail party at the Palais with the city's best views of VIVID Sydney.

High profile exhibitors included Diabetes NSW & ACT, Athlete's Foot and Medi Australia.

The entire conference was arranged by Luna Park Venues award-winning team.

Emma Bowyer from ICMS Australasia said, "Our experience at Luna Park has been wonderful, the service is unparalleled. We recommend Luna Park Venues to our clients for its iconic location and for the quintessential Sydney experience."

## ABOUT LUNA PARK VENUES

Luna Park Venues is one of Sydney's premier function and entertainment precincts, offering 13 unique multipurpose waterfront venues and unrivalled vistas of the cityscape, capturing the iconic Harbour Bridge and Sydney Opera House.
